Welcome to the Champlain Bridge Marina Service Center. We are a full service marina on Lake Champlain. Champlain Bridge Marina has over 5,000 square feet dedicated to factory authorized repairs on a wide range of inboard engines, outboard engines and drive trains. The Champlain Bridge Marina service department has over 25 years experience in marine service. Repair skills include engine repair, fiberglass repair, wood restorations, canvas repair and upholstery repair. Our marine mechanics specialize in Johnson service, Evinrude service, Mercury service, OMC service, Mercruiser service and Volvo Penta service.

Hauling Services Include the removal or launching storing of Boats up to foot in length. Following are some of our capabilities:

30 Ton 60 Ft Travel Lift
Various Heavy and Light Yard Trailers
Hydraulic Trailer
3 Forklifts
